3. Every vendor of bread shall keep scales and weights suitable for the weighing of bread, in a conspicuous place in his shop, and every vendor of bread shall weigh the bread offered for sale, if requested.

CUMBERLAND CITY BY-LAWS.

CORPORATION OF THE CITY OF CUMBERLAND.

Scavenger By-Law, 1898.

Section I. The City Council may grant a licence to or employ any person, company, or corporation for cleaning and removing the contents of any privy vaults, sinks, or private drains, and every person, company, or corporation engaged in such business shall be deemed a night scavenger within the meaning of this by-law.

Sec. II. No person, company, or corporation shall, within the city, empty, clean, or remove the contents of any privy vault, sink, or private drain or cesspool, or reservoir into which a privy vault, water closet, stable, or sink drain is drained, without first having obtained a licence or being employed by the city so to do.

Sec. III. Every person, company, or corporation applying for a licence as night scavenger shall, if his application be accepted, pay a licensee fee of five dollars for every six months, and execute a bond in the penal sum of two hundred dollars (\$200), with two sureties to be approved by the City Council, conditioned that the said scavenger will comply with the provisions of this by-law and every by-law which may be hereafter passed by the City Council touching their said employment, and will also comply with and obey orders, directions, and regulations of the Health Officer: Provided that such licensee be not granted until the Health Officer is satisfied that the applicant is provided with the necessary appliances for carrying on scavenging in accordance with this by-law.

Sec. IV. Nothing in this by-law shall be considered to mean or be held to make it obligatory on the City to grant any licence to night or day scavengers; but the City Council may, at its discretion, employ all its night or day scavengers.

Sec. V. The cleaning, emptying, or removing of the contents of any privy vault, sink, or private drain shall be done in an inoffensive manner, and any scavenger, having begun any such scavenger work, shall, without any interruption or delay, finish the same, and shall, in every instance, leave the privy vaults, sinks, or private drains in as good condition upon the outside as when the work was undertaken.

Sec. VI. The Health Officer shall have power to enter upon any premises and examine any vault, sink, privy, or private drain.

Sec. VII. The contents of private drains, privy vaults, or sinks so removed by any scavenger shall be conveyed in water-tight tanks or vessels, of such pattern and description as may from time to time be approved by the Health Officer, and shall be disposed of in such a manner, under the direction of the Health Officer, as to cause no offence, and tanks or vessels shall be kept clean and inoffensive when not in actual use.

Sec. VIII. When requested, a licensed scavenger shall cleanse or empty any vault, sink, or private drain, or privy, and remove any and all nuisances.

Sec. IX. No privy vault, sink, or private drain shall be opened, nor the contents thereof disturbed or removed, between the hours of 6 o'clock a.m. and 11 o'clock p.m. of any day, nor shall the contents thereof be deposited or buried within the city limits. Any person violating any provisions of this section shall be subject to the penalties hereinafter prescribed.

Sec. X. Licensed night scavengers shall receive for each cubic foot of the contents removed from any privy vault, sink, private drain, or cesspool by them cleaned out or removed, a sum not to exceed 25 cents per cubic foot.

Sec. XI. Whenever it shall become necessary to empty any privy or privies, or remove any night soil from any premises within the city, or on cleaning yards, cellars, back kitchens, or other premises whatsoever, if any impure or offensive odor should exist, chloride of lime, unslacked lime, nitrate of lead, potash, or common salt should be used by the person or persons emptying such privy or privies or removing such night-soil from such premises as shall render the effluvia as inoffensive as possible.

Sec. XII. The City Council shall have power to licence or employ from time to time as many persons, upon such terms and with such conveyance and appliances as they may deem necessary for the removal of garbage, offal, swill, and ashes.

Sec. XIII. Every person so licensed shall be deemed a day scavenger, and shall at all times be subject to the rules and regulations of the Health Officer and the by-laws of the City, and shall pay a similar fee and provide like bonds as provided in clause three of this by-law; provided, however, that one scavenger licence shall permit any person to carry on the work of both night and day scavenger without extra fee.

Sec. XIV. Any cart, waggon or other vehicle used or intended to be used for the purpose of conveying swill, offal or garbage shall be perfectly tight and covered so as to prevent the contents thereof from leaking and spilling, and shall be of such pattern and description as may from time to time be approved by the Health Officer; and such cart, waggon or other vehicle when not in use shall not be allowed to stand in any highway, or street, lane, alley, public place or square.

Sec. XV. That the fees to be charged by day scavengers for any matter or thing allowed to be dumped or deposited by the scavenger or scavengers licensed by the city within the limits of the city shall be a sum not to exceed one dollar (\$1.00) for a full load, and 75 cents for a half load or less than a half load, for a double team, and half such rates for one horse load; and any charges in excess of those so made shall be considered a breach of this by-law.

Sec. XVI. Licences of day and night scavengers shall be held by them subject to their observing and faithfully performing the conditions contained in this by-law, and the regulations that may from time to time be imposed by the Health Officer, and in case of non-observance of any of the said conditions and regulations, the said licence may at any time be summarily revoked and cancelled by the City Council.

Sec. XVII. For any and every violation of the provisions of this by-law a penalty of not exceeding one hundred dollars (\$100) may be imposed by the Police

Magistrate, or any two Justices of the Peace having jurisdiction over offences against the by-laws of the City of Cumberland, convicting, and in default of payment of said penalty and costs the offender may be committed to the common gaol or lock-up, there to be imprisoned for any time not exceeding 30 days.
